

Clearing the Path to Improved Productivity--
More Time, Less Stress and
More Profits.

ROSIE AIELLO presents:

“Your Time is *Your* Money.”

- Discover the biggest Time Leaks and how much they are costing you
- Understand the emotional and health impact to lack of productivity
- Learn easy strategies to stop wasting time for increased profits and more time and fun freedom!

ClearVista Consulting works with small business owners, entrepreneurs, attorneys, and other busy professionals to organize them for success.

“Rosie Aiello engages the audience with her enthusiasm, confidence and spirit of generosity to share her knowledge to change people’s lives. She is succinct, upbeat and easy to follow; the audience has a take away they can implement today that can create more time in their busy lives.”

- Janelle Lee, Specialist in Health

*Rosie’s programs are “money in the bank.” If you follow the strategies and techniques that Rosie teaches, you’ll get more done in a single day than most others get done in a week. What you learn by attending one of her programs, or working with her one-on-one, are simple to use, yet highly effective methods that not only help you get more done – but help you get the **right** things done. If you want to become more effective and accomplish far more than you are currently, give Rosie a call right now.”*

- Chuck Moyer, founder and president, Fat Margins.

Rosie helps entrepreneurs get more productive and gain greater success with her essential tips and techniques, as part of the team of experts in the book *Entrepreneur Extraordinaire*. She also saves you time --e-books *The One Minute Productivity Tip—A Year of Productivity* Vol. 1& 2

Rosie Aiello, MBA

Award Winning Entrepreneur,
Productivity Strategist, Small Business
Mentor, Speaker, Bestselling Author

Rosie is a dynamic and engaging speaker. With an approachable style, she offers practical solutions that are easily understood, and which can be implemented immediately. She is an expert at being able to analyze a situation then provide the skills and training to take the business to the next level. Her audience and clients walk away feeling energized, confident and with tools in hand.

Bestselling author, speaker & founder of ClearVista Consulting International, Inc., Rosie champions female entrepreneurs and professionals to realize their dreams with clarity and focus. She loves defeating productivity black holes and small business overwhelm, just like she loves her pasta. With her proven programs, Rosie empowers her clients to organize and value their time, resulting in higher profits, less stress and more freedom to enjoy fulfilling lives.
